

ENGAGED CORPORATE CULTURE DAYS

FOSTERING A CULTURE OF CONNECTION AND SERVICE IN THE WORKPLACE

Engaged Corporate Culture Days offer an opportunity to educate your workplace on the foster care crisis, the needs in our local community, and the steps each of us can take to create change right where we are. We believe that every child should have the opportunity to reach their fullest potential in life, regardless of their start - and that everyone can play a role in impacting a child's life. We could not do the work that we do without the many businesses and organizations that come together to support the precious children and families that we serve.

WHAT YOUR EMPLOYEES CAN EXPECT

- Overview of the **foster care** crisis
- Houston Angels' **mission** and programs
